

GiveCamp Memphis is...

...a weekend-long event where technology professionals from designers, developers and database administrators to marketers and web strategists donate their time to provide solutions for nonprofit organizations. Since its inception in 2007, the GiveCamp program nationally has provided benefits to hundreds of nonprofits, worth millions of dollars of developer and designer time in services!

GiveCamp Memphis weekend brings together technology professionals committed to providing nonprofit organizations with solutions, strategies, and tools that can help them continue their good work ... hopefully even more effectively and efficiently than before.

Nonprofit Service

Many of the projects created at GiveCamp Memphis would typically cost each nonprofit between \$5,000 and \$10,000. And the efficiency the solutions create - often reducing paperwork and staff time needed to complete work - means GiveCamp Memphis creates value beyond the cost of the projects themselves.

Our 12th annual weekend of service - February 24 through 26, 2023!

How You Help

Sponsors are an important part of ensuring that nonprofits continue to benefit from this valuable work, with no cost to participate. It will take more than the passion and expertise of our volunteers to make this happen. We need your support to help provide a fun and rewarding environment for our volunteers and developers. Your sponsorship helps in areas such as:

- Meals and snacks for the volunteers and developers throughout the event weekend
- Software to be used in web site development of the actual sites
- T-Shirts and Name tags
- Professional Services

Our Appreciation

We love showcasing our sponsors to our volunteers and nonprofit participants! We thank our sponsors and show their logos at event gatherings throughout the weekend, and we display linked sponsor logos on our website throughout the year. Ask us how we can tailor our sponsor recognition to your needs!

Since 2011, countless GiveCamp Memphis volunteers have served so many area nonprofit organizations:
